# Supplier Code and Name

**FILL IN SUPPLIER CODE  
AND SUPPLIER NAME**

The screenshot shows a software window titled "Suppliers". At the top, there are two red arrows pointing down to the "Supplier Code" and "Supplier" fields. The "Supplier Code" field contains the text "EEE" and the "Supplier" field contains "TRIPLE E PARTS". Below these fields are two checkboxes: "Inactive for transfers" and "Inactive for purchases", both of which are unchecked. The "Information" section contains several input fields: "Address", "City", "State", "Zip", "Account", "Default Accounting Code" (a dropdown menu), "Inventory Pricing", "Outside Purchase Pricing", "Phone 1" (with area and extension fields), "Phone 2" (with area and extension fields), and "E-Mail". The "Electronic Ordering Interfaces" section contains a text area with a note: "\* Primary ordering interface. This interface cannot be deleted and is the default interface." Below this text area are three buttons: "Set Coverage File Download Options", "Delete", "Edit", and "Add". At the bottom of the window is a "Notes" section with a large text area. At the very bottom of the window are four buttons: "Cancel", "Delete", "Add", and "Save". A large red arrow points from the "Save" button towards the right side of the image.

# RIGHT CLICK YOUR SCREEN AND SELECT SCREEN RESOLUTION

# SELECT 1280 X 720 AND CLICK -- APPLY, OK, AND KEEP CHANGES

Change the appearance of your displays

The screenshot shows the Windows 'Change the appearance of your displays' window. At the top, two display icons are shown, labeled with circled numbers 1 and 2. Below the icons, the 'Display:' dropdown is set to '1. Acer S201HL(Analog)'. The 'Resolution:' dropdown is set to '1280 x 720'. A slider overlay is open, showing a vertical scale from 'Low' to 'High'. The scale has three labeled points: '1600 x 900 (recommended)' at the top, '1280 x 720' in the middle, and '800 x 600' at the bottom. A blue arrow points to the '1280 x 720' mark on the slider. The 'OK' button is highlighted in blue. Other visible buttons include 'Detect', 'Identify', 'Advanced settings', 'Cancel', and 'Apply'.

### Finish Supplier

The Supplier Maintenance Wizard is now ready to do the tasks that were requested.  
Press the Perform Changes button to complete the tasks.

The tasks it will perform are:

1. Create new supplier named 'TRIPLE E PARTS'.
2. Set feature options as directed.
3. Use new coverage list created for this supplier.
4. Use default Category/Group list.
5. Use default group messages.
